ABOUT VINYL DECALS FROM EQUIIMAGE

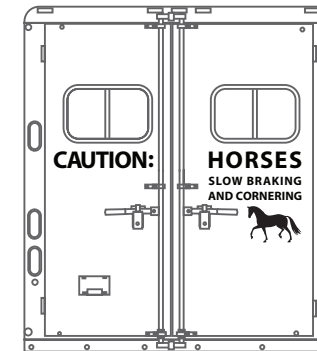

These decals have been designed for vehicles (using high-quality outdoor vinyl), but they can be used for mailboxes, grooming kits, stall signs and many other projects.

Decals are a stylish way to personalize items, proudly promote your discipline, or advertise your farm or business.

Decals are easy to apply. They won't damage paintwork, and they're easily removed with a hairdryer.

CUSTOM WORK

The designs can be sized to fit your requirements. Many colours, including reflective ones, are available on request. Equimage does custom work for farm logos etc.

RATES

Vinyl: \$20 per sq. ft.
 Reflective vinyl: \$40 per sq.ft.
 Design: \$48 per hour
